Luxury Handheld

Shattaf Bidet Sprayer

S2

80%
WATER SAVE

Suijin have available several luxury Shattaf for personal washing, each of which utilise patented volumising technology.

Our Shattaf combines luxury feel with eco-conservation. Expertly crafted, our shattafs enable every member of the family to incorporate water into their personal hygiene routine. After using the lavatory, our shattaf provides a cleansing, soothing wash that leaves the user clean and shower-fresh all day long.

The Suijin Shattaf accommodates installation into both existing commercial and domestic systems.

- SAVES 80% OF WATER
- SAVES ENERGY
- SAVES MONEY
- EUROPEAN DESIGN & INNOVATION
- ELIMINATES OVERSPRAY
- ULTRA LOW FLOW RATE
- STABILISED, COMFORTABLE SPRAY
- NO LOSS OF COMFORT
